Rhyming Word Dominoes

- Make one set for each group of four to six players.
- Deal seven dominoes to each player.
- Flip the top domino from the remaining stack to begin.
- The first player to identify a tile in his or her hand that rhymes with either word on card opens play, and play continues in clockwise order.
- If a player cannot make a rhyme, he or she must draw from the remaining tiles. When no tiles remain, players who cannot make a rhyme pass.
- The first player to play all of his or her tiles wins.
